Sustain3

A range of LED recessed diffuser or louvre luminaire with fully custom capability. Electronic, DALI / DSI digital dimmable control gear. Class I electrical, IP40. Body: white painted steel. Louvre: Satinbrite aluminium. Fitted with flex and plug. Complete with 4000K LED Type IC in accordance with AS/NZS 60598.2.2-2016 Recessed Luminaires.

Dimensions: 1195 x 295 x 60 mm
Luminaire input power: 26 W
Luminaire luminous flux: 2635 lm
Luminaire efficacy: 101 lm/W
Weight: 3.7 kg

All values marked with an * are rated values. Thorn uses tried and tested components from leading suppliers, however there may be isolated instances of technology-related failures of individual LEDs during the rated product lifetime. International standards set the tolerance in initial flux and connected load at ±10%.

Unless stated otherwise, the values apply to an ambient temperature of 25°C.

In most products the failure of one LED point causes no functional impairment to the lighting performance of the luminaire and is therefore no reason for complaint. Unless otherwise stated all Thorn LED products are suitable for unrestricted use (rated RG0 or RG1) with regard photobiological blue light safety (IEC/EN60598-1).
