

# Chartor Deco

	TC-T (FSM)	GX24d-3	26W
	HSE (SE)	E27	50W
	AS/NZS 60598		Class I Electrical
	20 Nm Impact resistant		
	IP44 (IP54 available on project request)		

A stylish version of the sturdy Chartor bollard

- Die-cast aluminium reflector limits upward obtrusive light
- Conical, hemispherical or flat top head cover painted in contrasting colours
- Heavy duty galvanised steel post, powder coated in matt textured Anthracite, available in base plate or buried version
- Recessed tamper resistant bolts

### Materials/Finish.

Head: die cast aluminium, finished in anthracite, matt textured powder coat.  
 Insert: contrasting satin grey powder coat.  
 Post: hot dipped galvanised prior to finishing in Anthracite matt textured powder coat.  
 Optic: polycarbonate fresnel or aluminium louvres protected by a clear polycarbonate sleeve.

### Installation/Mounting

Base plate version: 260mm base plate with 3 x 15mm holes on 190mm diameter centres.  
 Buried version: direct buried in ground 450mm with 2 x slots 40 x 150mm for through wiring.
