

Legend Classic

 HST (ST)	E27/E40	70-150W
 HIT-CE (MT)	E27/E40	70-150W
 TC-TEL (FSM)	GX24q-4	42W
AS/NZS 60598	 Class I Electrical	
5 Nm Impact resistant	 IP65	

A classic shaped range of low light pollution lanterns for application in older cities, towns and historical areas

- Choice of post top or suspended mounting. Both offer the option of an illuminated top cap
- Post top version produces 'virtual glow effect' when lit
- Precise light distribution ensures no direct upward light, and a consequent reduction in light pollution
- The 'Optibloc' internal optic can be rotated in 45° steps to maintain uniform visual appearance and offer different distributions
- The high performance optics are suitable for street lighting

Materials/Finish

Body: die-cast aluminium, dark grey powder coated finish, (close to RAL 9007).
Flat enclosure: toughened glass.
Reflector: pure aluminium.

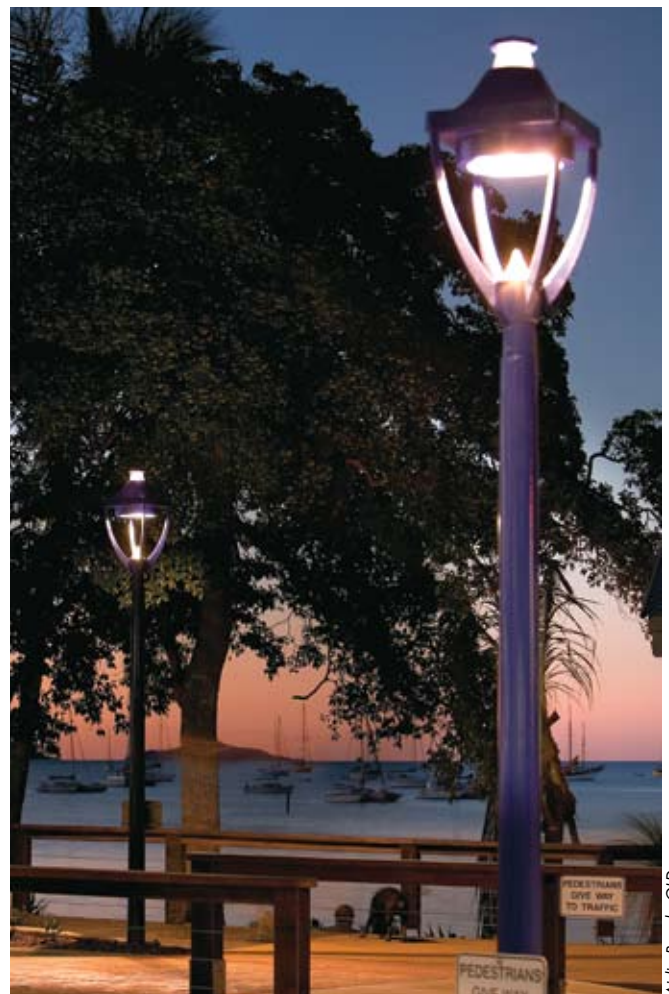

Installation/Mounting

Post top: poles 76mm diameter, fixing on shaft through 3 x M8 stainless steel screws (supplied).
Suspended: fixed through a 1 inch BSP threaded tube.
Recommended mounting height: 4 to 5m.

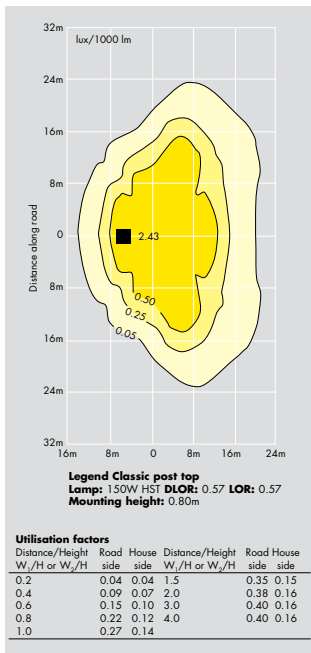

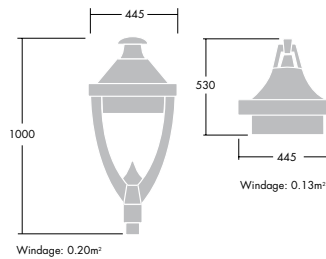

Specification

To specify state:

Post top or suspended lantern in die-cast aluminium painted in dark grey finish, flat toughened glass, with aluminium reflector embodied in an IP65 compartment.
As Thorn Legend Classic.

Airfile Beach, QLD

Ordering Guide Lamp to be ordered separately. For complete fitting please order lantern and gear tray.
