

Line XS Circular

TC-TEL (FSM)	GX24q	32-42W
AS/NZS60598	Class I Electrical	
IP20		

Striking round pendant luminaire

- New decorative pendant design completes the Line XS family, offering an alternative to the classic linear shape
- Distinct Line XS perforated body with opal insert
- Excellent glare control with 100% uplight
- Easy installation
- High quality in all details and finish

Material/Finish

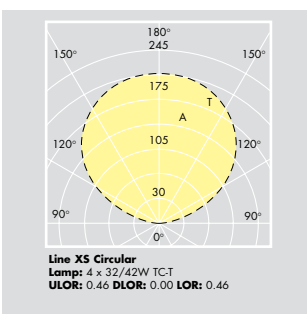

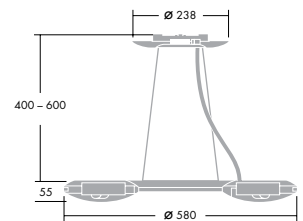

Body: spun aluminium, textured grey or matt white finish.
Ceiling plate: steel, textured grey or white finish.

Installation/Mounting

Fixed output versions have 3 x 2 x 2.5mm² terminal block in the ceiling plate. Fitting is pre-wired between body and ceiling plate via 0.7m non-halogen white or grey cable 3 x 0.75mm². Quick-lock wire suspension is included for easy mounting.

Specification

To specify state:
Striking circular pendant luminaire with perforated sides for 32, 42W TC-TEL compact fluorescent lamps.
As Thorn Line XS Circular.

Ordering Guide Lamps to be ordered separately.
