Elegant bollard providing light and colour in urban areas

- Elegant design for easy integration in a variety of applications
- Robust and vandal resistant die-cast aluminium (LM6) body
- Expresses safety, strength and harmony in urban amenity lighting applications
- Optimised output ensures no obtrusive light
- Low voltage LEDs for energy savings, long life and reduced maintenance, other lamp types available
- Polycarbonate diffuser with sand-blasted anti glare band
- Polycarbonate diffuser with sand-blasted anti glare band
- LED module retrofitable within the existing bollards
- Versions for flange, root or parapet mounting

Materials/Finish

Head and body: powder coated die-cast aluminium, anthracite (close to RAL 7024).

Top cone: opal polycarbonate. Diffuser: clear polycarbonate with internal sand blasted band.

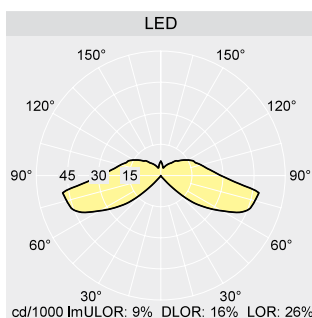

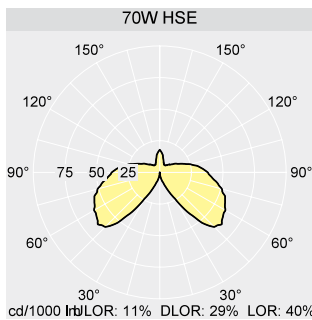

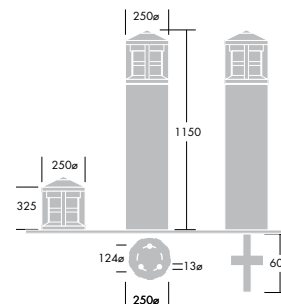

Installation/Mounting

Flange mounting plate or support root or spike mounting. LED module and power supply can be retrofitted into an existing bollard.

Specification

To specify state: Decorative aluminium bollard with clear diffuser including a sand blasted band and with a small luminous cone. Employs 80W HME, 70W HSE-I, 42W TC-TEL lamps or complete with 18 x 1.2W LEDs. Parapet/flange/root/spike mounted.

As Thorn Promenade.

Ordering Guide Lamps to be ordered separately (except LED versions).
